As part of the campaign, a custom logo has already been designed with the help of the Communications & Marketing team; new promotional materials displaying the logo have been ordered; and a billboard along State Route 347 will be rented to promote shopping locally. The Shop Local campaign will ramp up in October and continue throughout the holiday shopping season.

## **Public Works**

### **Capital Projects**

- **Honeycutt Road Widening Project:** This project will improve Honeycutt Road from White and Parker Road to Porter Road, widening out to four lanes and installing curb, gutter, and sidewalk on the south side. Staff anticipates construction duration of eight months. The majority of private utilities affected by the project have completed their relocation work. Staff is continuing to work with the other utilities to facilitate their relocation process and clarify roles and responsibilities for the relocations. Staff anticipates construction to start in mid-August.
- **Copper Sky Recreation Center and Regional Park:** CORE Construction is nearing completion of work at the Multi-Generation Center, coordinating with staff to minimize disruption while addressing opportunities for change or improvement identified by staff since the building's opening. Work should be complete in three weeks.

### **Streets Maintenance**

- Numerous "Road Flooded" signs were placed throughout the city and several trees were removed from roadways after the storm on July 3.

## **Development Services**

### **Building Safety**

- Two Commercial Tenant Improvement permit applications and 25 Single Family Home permit applications (20 detached, five attached) were received during the week of June 30-July 3. The increase in single family permits is likely in response to the building valuation increase used to calculate building permit fees that went into effect July 1.

### **Planning**

- **Zoning Code Rewrite Project:** The Planning and Zoning Commission held their first meeting to discuss the draft Zoning Code on June 23. At the meeting, staff presented the code rewrite process to date and the Zoning Code Rewrite Task Force and Heritage Advisory Committees' recommendations. The Zoning Code Rewrite Task Force held their final meeting on July 2 to approve their June 11 meeting minutes, which includes the Task Force's recommendation for the draft Zoning Code. The next Planning and Zoning Commission meeting to discuss the draft code is scheduled for July 14. Further information, including the latest schedule, presentations, related documents, maps, and the draft Zoning Code, is available on the Zoning Code Rewrite website at

- **Motor Vehicle Accidents:** MFD was called out to four different reports of motor vehicle accidents this week; one involved a bicyclist.
- **House Fire:** Maricopa units responded to a report of a house fire on Barbara Lane. Upon arrival, it was determined food had been left cooking on the kitchen stove, igniting the fire. The homeowner reported having extinguished the fire, but asked the fire department to confirm there was no further danger. Crews confirmed the fire was out, ventilated the house, and determined no further fire extension to the walls or surrounding areas.
- **ATV Accident:** E572 responded to a report of an ATV crash in the Tortosa area. Two patients were involved. One patient refused further treatment and one was transported to the hospital for further evaluation and treatment of a shoulder pain complaint.

### **Police Department**

- **Domestic Violence Community Training:** On July 8, MPD in Partnership with the Arizona Coalition to End Sexual and Domestic Violence hosted “Stand Up Against Domestic Violence” training. The free training addressed the dynamics of domestic violence, the use of power and control in abusive relationships, and ways to support a victim or survivor. This program had over 90 members of the community attend.
- **Training:** July 8, Chief Steve Stahl instructed at Chandler-Gilbert Community College. Chief Stahl taught a course in Supervision & Management. Chief Stahl is a regular guest instructor at Chandler-Gilbert Community College Law Enforcement Training Academy and teaches several classes on management.

- **Police Officer Training:** July 9, all sworn members of the police department attended “Leading Groups and Organizational Development” training. This training exposes leaders to expanding their leadership role to larger spans of control by identifying the roles individuals take when in groups and the relationships that must occur to make teams and the organization more effective. The leadership training is part of the officers continued law enforcement training requirement.
- **Monthly CompStat Numbers:** Attached are June’s monthly stats. The report shows a decrease in crime with the exception of violent crime and theft. The content in violent crimes is due to domestic violence charging standards. The report also shows an increase in theft other. Theft other is defined as calls for service as fraud and shoplifting.
- **Victim Assistance Recruitment:** The victim assistance program is looking for more members. The volunteers will provide victims with crime information and referrals to local and county agencies, hospital, safety planning, and how to deal with traumatic experiences. Volunteers are prescreened and trained through the Department of Justice Victims Assistance Online Training Program. Once training is complete, volunteers are placed on call for 12 hour shifts depending on their availability. For more information on the program, please email [Mary.Witkofski@maricopa-az.gov](mailto:Mary.Witkofski@maricopa-az.gov) .

Respectfully submitted,
